Certifier® FA Plus

Certifier® FA

Trade-Up an Existing Ventilator Tester In Exchange For a Discount on The Purchase of a New Certifier® FA or FA+.

TSI will accept a competitive operational or non-operational ventilator tester in exchange for the discount. Certifier® FA Plus is the full-feature system capable of testing virtually all models of ventilators: adult, pediatric, anesthesia, neonatal and high-frequency.

It's 1/3 the size and 1/3 the cost of competitive instruments. Trade-Up your old model today. Contact TSI at 800.874.2811 or answers@tsi.com
